The Sea Dog Brewing Company was founded on the coast of Maine in 1993. Sea Dog's high quality ales are hand-brewed using time-honored methods and only the finest ingredients.

Sea Dog is committed to brewing the freshest, most flavorful, full-bodied beer available and currently produces 7 varieties of hand-crafted, award-winning, year-round and seasonal ales. In addition, Sea Dog also produces its own traditional, handcrafted root beer. Sea Dog is available in over 20 states across the U.S.

In Maine, you can visit the Sea Dog Brewing Company's Brew Pubs at one of our two waterfront locations – overlooking the Androscoggin River in Topsham or along the historic Penobscot River in Bangor. Serving lunch and dinner daily and offering a full line of handcrafted ales that capture the spirit of Maine's sea-faring history.
